

Mrs. Maxwell's Fifth Grade Class

Welcome to fifth grade! I'm excited to be teaching Religion and Social Studies to my homeroom students as well as all fifth grade students Math and Science. Again this year, I will be able to schedule Gettysburg College Advancing Science Program to provide us great science labs. My past students would agree they enjoyed the challenge these labs present.

Mrs. Shott and I look forward to meeting you at Back to School night. Please feel free to contact me if you have any questions or needs we can address.

Looking forward to a good year.

Mrs. Maxwell
